"... a valuable team member who works extremely well with most everyone. Her dedication, expertise, and enthusiasm have made her a respected voice across many different types of projects... She is eager to learn and get better, and the feeling is infectious on her team members."

2005 Performance Review
Modem Media

"...completed an exhaustive literature search and has found essentially all the articles available to date."

Nancy Lowry
Former Professor

"...showed a great deal of bibliographic skill and presented material from a very large number of sources and was not satisfied as many students are to have found a small handful."

Donald B. Poe, Jr.
Former Professor

"...her research showed a thorough use of a broad array of bibliographic and discographic sources."

Jay Pillay
Former Professor
